

**State Ethics Commission of Georgia**

**ADVISORY OPINION NO. 1987-08  
March 2, 1987**

**SUBJECT: REQUEST FOR EXEMPTION TO CERTAIN REQUIREMENTS**

**ADVISORY OPINION**

The Commission, having received an official opinion from the Attorney General that it does not have the authority under applicable statute to grant an exemption from the disclosure and reporting requirements in any instance, and after having had a complete hearing of all views expressed by petitioner, finds that it must embrace the opinion of the Attorney General and respectfully declines to apply an exemption as requested by the American Civil Liberties Union on behalf of the Socialist Worker's Party.
